### MAY BE A CHANGE IN BASEBALL COMMISSION

(By Associated Press.) CHICAGO, Nov. 2.—President B. B. Johnson of the American league in a statement last night admitted that there "probably will be a change in the complexion of the national baseball commission."

The statement was issued after two afternoon newspapers had quoted Mr. Johnson as saying that August Hermann, chairman of the commission, would be deposed. Immediate denial of the statement was made. President Johnson, however, said that certain club owners of the American league are opposed to "too much national league in the composition of the national commission."

Mr. Hermann is president of the Cincinnati club of the National league and has been chairman of the national commission since the formation of the body under the agreement of the National and American leagues. He was in conference with President Johnson here last week regarding questions involving the commission.

The commission is made up of Johnson, Hermann and John K. Tener, president of the National league.

### GOOD MEN AND TRUE

Yesterday the Bonanza referred in paragraphs to some of the candidates that are deserving of election. Today there are others mentioned. While the Bonanza is a partisan newspaper, it is pleased that its party has selected the following, to whose support it would come, even if not bound by party ties:

#### THOMAS LINDSAY

There are many qualities required of one who fills the office of county commissioner. Each of these desiderata are to be found in Thomas Lindsay. He possesses the integrity and forcefulness inherited from his Scotch ancestry, as well as the canny business methods and practices of economy that follow the lineage even after generations in the United States. In his business career he has had much to do with freight rates over desert routes, and as these are largely dependent upon the condition of the highways, he is a good roads advocate, and it is said that he knows how they should be constructed and maintained. Trust Tom Lindsay to keep down the "overhead" and protect the taxpayer.

#### LETSON BALLIET

It may or may not be generally known, but is nevertheless a fact, that the Buckeye-Belmont mine, which is operated by Letson Balliet, is not in the Mine Operators' association and is not governed by the prevalent rules of operation in this camp. Consequently the miners receive what Mr. Balliet considers he should and is able to pay them. They draw from \$5 to \$6 a day and the average shift is only seven hours. Mr. Balliet is candidate for sheriff and assessor. He is, as he claims to be, a friend of the worker, and he will receive their support. The strenuous efforts of the Democratic machine have been bent on his defeat, but the underhand methods resorted to have acted as a boomerang and it is freely predicted that he will have as many votes as his opponents combined, a plurality over all. Recent articles from him in the Bonanza clearly portray the unsatisfactory, extravagant and almost culpable methods practiced under the present system of extorting taxes and lavishing the money, particularly on "overhead."

Mr. Balliet believes he will be able to remedy conditions. He should be given an opportunity. He says he will not draw his salary if he doesn't succeed.

#### GEORGE L. DUGAN

Born and reared in Nye county, George L. Dugan possesses distinct and desirable qualifications for the office of county clerk, to which he has been nominated. He has had a liberal education in the schools, to which was added the splendid training he has secured in the Tonopah Corporation bank as teller. He knows everybody in the county and everybody knows and likes him. He has mining and stock raising interests and has made a success of his own business affairs. Mr. Dugan is making a thorough campaign and reports from all parts of the county are that he will have a splendid majority.

### NIECE OF TONOPAHNS INHERITS A FORTUNE

Janice Mary, 18 months old, daughter of Mrs. Delphine Sutcliffe and grand-daughter of Mrs. Mary J. St. Pierre, is heir to a \$25,000 bequest from the estate of Mrs. Minna Sutcliffe, also a grandmother. The latter died recently in Louisiana.

To safeguard the estate, Attorney James E. Shelton yesterday petitioned the probate court to appoint the child's mother guardian. The grandmother left an estate of \$200,000, which is subject in Louisiana to the "usufruct," a term which means that W. W. Sutcliffe will have the use of it, including the rents and profits arising from the bequest, during his life.—Los Angeles Times.

The child is a niece of Mr. and Mrs. H. R. Fowler of this city.

### COLOMBIA PROTESTS TO THE UNITED STATES

(By Associated Press.) WASHINGTON, Nov. 2.—Colombia has protested to the United States against the new canal route treaty with Nicaragua, it became known last night, on the ground that the granting of a 99 year lease to this government by Nicaragua of Great Corn and Little Corn islands is a denial of Colombian sovereignty in those islands. Colombia claims that the islands, though recently subject to Nicaraguan administration, are part of her territory under the Cedula of November 30, 1803, issued by the king of Spain to demarcate the various Spanish provinces in the new world. The islands are not claimed to be of any especial value except strategically. They lie about 10 miles off the coast and have about 2000 population. Some time ago Honduras, San Salvador, Costa Rica and Guatemala protested against the Nicaraguan treaty on the ground that it infringed their rights on Fonseca bay and San Juan river. The United States has not accepted their protests and the award of the Central American court in their favor has been disregarded by Nicaragua.

#### GIFT TO WAR PRISONERS

(By Associated Press.) OTTAWA, Nov. 2.—A farewell gift of the women of Canada to the duchess of Cornwall, amounting to \$52,735, has been cabled to London. It will be applied by the duchess to the prisoners of war fund in compliance with her request.

#### ODDS ON HUGHES

Wilson money has become so scarce in New York that the odds were raised this morning to ten to six. This called out some money on the short end and the odds receded to ten to eight and remained at that figure for the remainder of the day.

#### AMERICAN BIRDMAN KILLED

### AMUSEMENTS

#### BUTLER THEATER

The feature at the Butler this evening will be a Lasky production entitled "The Dream Girl," with Mae Murray and Theodore Roberts in the leading roles. Romance and adventure, the meeting of low life and high life, form the dominant elements in this feature. Miss Murray plays the part of a girl born in the slums, her young life surrounded by handicaps on every side, but in spite of it all the girl has a love for everything beautiful and artistic. The girl's father is an inveterate drunkard and appears most unexpectedly at a moment when she seems at last to free herself from her early life and become the wife of a wealthy young man who is deeply in love with her, but she decides that her duty is to her unfortunate and unworthy father. Her spirit touches his callous soul and in a flash he sees himself as the wretched creature he is and decides to withdraw from her life. The young people marry and everything ends happily. Miss Murray and Mr. Roberts are supported by an excellent cast of Lasky players. The preliminary reel will be Pathe weekly, showing all the current events of the day.

Tomorrow, beautiful Virginia Pearson in "Dare Devil Kate," in which Cleopatra, Carmen and Cigarette are all represented—really a "girl bandit." Watch for high class vaudeville act Monday.

After eight years without representation, southern Nye asks support for its only candidate upon any ticket. A. B. Perkins of Carrara, the regular Republican nominee for assemblyman. Adv. O28-17
